Sizes: 150 cm – 270 cm

Rowlock

Product number: 47

A practical and strong rowlock made of plastic. No tools are needed in mounting. The oar is placed into the plastic coupling ring, where the oar stays in place even if you release the grip. The rowlock also protects the oar from wear. The position of the oar can be adjusted, even while rowing. The rowlocks suit Lahnakoski oars and others.
